06-HEALTH HAZARD DATA (Continue)

Eyes Contact: Flush with water for 15 minutes while holding eyelids open. Get medical attention if irritation persists.

Ingestion: Contact a physician.

07-PRECAUTIONS FOR SAFE HANDLING AND USE

Precautions to taken in handling and storage: Avoid contact with the eyes. Do not take internally. Keep away from fire and flame. Store at ambient conditions. Keep containers sealed.

Steps to be taken in case product is released or spilled: Notify appropriate authorities of spill. Contain spill immediately. Do not allow spill to enter sewer or watercourses. Remove all sources of ignition. Absorb with appropriate inert material such as sand, clay, etc. Collect in sealed approved container for disposal. Flash area with water to clean up small amounts and reduce possible slippery floor hazard. Large spills may be picked up using vacuum pumps, shovels, or buckets, and placed in drums or other suitable approved containers.

Waste disposal method: All disposals must comply with federal, state, and local regulations, the material, if spilled or discarded, may be a regulated waste. Refer to state and local regulations. Material should be recycled if possible.

<u>08-EXPOSURE CONTROL INFORMATION</u>

Use good hygiene practices.

09-ECOLOGICAL INFORMATION

Not expected to cause adverse environmental effects.

Page 4

10-TOXICOLOGICAL INFORMATION

No acute toxic effects expected by inhalation, ingestion, or contact during anticipated handling and usage. No long term chronic effects.

Irritant: Not a primary irritant

Sensitization: None known

Synergism: None known Skin LD50: N/A

Oral LD50: N/A Inhalation LC50: N/A

11-TRANSPORT REGULATIONS

Refer to current regulations for exact requirements.

DOT Regulated: Non-Hazardous

Disclaimer

The information in this MSDS was obtained from current and reliable sources. However, the data provided without any warranty, expressed or implied, regarding its correctness or accuracy. Since the conditions for use, handling, storage and disposal of this product are beyond Cade Laboratory's control, it is the user's responsibility both to determine safe conditions for use of this product and to assume liability for loss, injury, damage, or expense arising out of the product's improper use. No warranty, express or implied, regarding the product described herein shall be created by or inferred from any statement or omission in this MSDS. Various government agencies may have specific regulations concerning the transportation, handling, storage, use or disposal of this product, which may not be reflected in this MSDS. The user should review these regulations to ensure full compliance.
